🎓 EDUCATION

University of Engineering & Technology, Lahore

2021-2025	Bachelor of Science
	Mechatronics & Control Engineering
CGPA	3.22

Professor's Grammar Higher Secondary School & College

2019-2021	Intermediate
	Pre-Engineering
Percentage	99.27%

Professor's Grammar Higher Secondary School & College

2017-2019	Matric
	Science Group
Percentage	96.63%

💼 PROJECTS

PCB Designs
Automatic Street Light
Stop watch
Motor Driver Circuit
Push-Pull Amplifier

Programming & Embedded System
Front End Development
Microcontroller-Based Automated BVM Ventilation Control with Rack-Pinion Mechanism(Energia)
Maze solving problem using Genetic Algorithm (Python)
Autonomus Robot Navgation Using Genetic Algorithm (C)
8-Queens Problem Solution (C)

Machine vision Project using Mediapipe & OpenCV
Mediapipe-based Salah Pose Tracker with User-Friendly GUI(Python)

💼 Experience

Intern at Pakistan Interns

Front End Developer (Remote)
